

CristelTM SANITARY PRODUCTS

COMPANY PROFILE

Established in the year 2009, we "**MARUTI SANITARY PRODUCTS INDIA Private Limited**" are the leading manufacturer of a wide range of PVC MANHOLE COVER, TOILET SEAT COVER, FLUSH TANK, SOLVENTS, WASTE PIPE, PVC TAPS, BALL VALVE etc. The entire array is widely recognized for its better flow properties, better longevity, more hygienic, easy to install, non corrosion and high burst strength.

We are one of the foremost supplier in building and construction field. **CRISTEL™** is one of the leading brand which has been very well accepted. We provide top-of-the-line products that are most reliable. We are at the forefront of the pioneering endeavour to bring international standards to this specialised product line with excellent opportunities for product enhancement and all round growth.

VISION : To become an ethical, intuitive and value-based company of global reach with an ability to produce superior quality products using the latest in technology and infrastructure.

MISSION : To maintain and constantly raise our standards in plastic industry, and attain the highest level of customer service and earn respect and credibility from our customers.

"Quality and Competitive Prices" are the hallmarks of all **CRISTEL™** products.

Why only **CRISTEL™**?

Quality – Made out of engineering material
